OTHER INFORMATION

Call Usage Information

Eftel have spend management tools which are designed to assist you in managing your spend. You can check your monthly usage in MyAccount at <http://www.eftelretail.com/> .

Connection Timeframes

Once we've accepted your application, we'll try to connect your home phone service on the date you ask for, but this might not always be possible. If there has been a previous working home phone service at your property and we can reconnect it without having to visit your property, the local telephone exchange or anywhere in between. If this isn't possible, then we aim to connect your service within 5 to 15 working days, depending on your location.

Billing

The figures in this critical information summary are for a full billing cycle but your first bill may include some pro-rata charges for part of the month if you started or changed your plan part way through a billing period. On the same day each month you will be billed in for minimum monthly charge as well as any additional usage during this billing period.
